The Tourist

Flickerstick

Tonight I'm going to leave with you Do what you want to, but never do

I don't care how much you want me to stayThe tourist plays what you want him to playWhere will you go

Now that it's over

Now that you're older

Where will you goWhere will you go

Now that it's overNow that you're older

Where will you goI'm like the evil and you'll be the saint

You bring the pleasure

I'll bring the painFor every promise, there's a price to pay

The tourist plays what you want him to playWhere will you go

Now that it's over

Now that you're older

Where will you go Where will you go

Now that it's overNow that you're older

Where will you go Where will you go I can do anything... Where will you go

Now that it's over

Now that you're olderWhere will you goWhere will you go

Now that it's over

Now that you're olderWhere will you go

Where will you go?
