

Storm Warning

Hunter Hayes

Yeah Oh now She rolled in from the west in a summer sun dress hotter than the heat in July
With her wind blown hair it just wasn't fair the way she was blowing my mind
Have you ever noticed every hurricane gets it's name from a girl like this
She's the cat fight kind keeps you up at night hanging on to the edge of a kiss
She's a beautiful mess, yeah the kind you love to love
But what happens next,
I got a feeling when the sun comes up I'm gonna wish I had a storm warning
I'm gonna wish I had a sign
I'm gonna wish I had a little heads up, little leap-way, little more time
Some kind of radar system locked in on love
I got a feeling by the time the night finds the morning
I'm gonna wish I had a storm warning
I'm gonna wish I had a storm warning Ain't it funny how it feels when you're burning your wheels somewhere
between going and gone
You get so lost that you can't turn it off, you give in and you just turn it on
She's a harp on a reign red lips like a flame, she's the girl from your favorite song
What a beautiful mess,
A one part angel, one part perfect, one part a wreck
The kind of flood you'll never forget I'm gonna wish I had a storm warning
I'm gonna wish I had a sign
I'm gonna wish I had a little heads up, little leap-way little more time
Some kind of radar system locked in on love
I got a feeling by the time the night finds the morning
I'm gonna wish I had a storm warning I'm gonna wish I had a storm warning
I'm gonna wish I had a sign
I'm gonna wish I had a little heads up, little leap-way, a little more time
Some kind of radar system locked in on love I'm gonna wish I had a storm warning
I'm gonna wish I had a sign
I'm gonna wish I had a little heads up, little leap-way, little more time
Some kind of radar system locked in on love
I got a feeling by the time the night finds the morning
I'm gonna wish I had a storm warning
Yeah, I'm gonna wish I had a storm warning
I'm gonna wish I had a sign
I'm gonna wish I had a sign, or storm warning, yeah A little heads up, little more time, little leap-way some kind
of sign
Would have been nice
Some kind of radar system, if I heard it yeah I would have listened
To the storm, to the storm warning
