

# The Fire (feat. John Legend)

## The Roots

Ohh, the fire, the fire  
Ohh, the fire, the fire There's something in your heart  
And it's in your eyes  
It's the fire, inside you  
Let it burn You don't say good luck  
You say, "Don't give up"  
It's the fire, inside you  
Let it burn Yeah, and if I'm ever at the crossroads  
And start feeling mixed signals like Morse code  
My soul start to grow colder than the North Pole  
I try to focus on the hole of where the torch goes In the tradition of these legendary sports pros  
As far as I can see, I've made it to the threshold  
Lord knows I've waited for this a lifetime  
And I'm an icon when I let my light shine Shine bright as an example of a champion  
Taking the advantage, never copping out or cancelling  
Burn like a chariot, learn how to carry it  
Maverick, always above and beyond average Fuel to the flame that I train with and travel with  
Something in my eyes say I'm so close to having the prize  
I realize I'm supposed to reach for the skies  
Never let somebody try to tell you otherwise There's something in your heart  
And it's in your eyes  
It's the fire, inside you  
Let it burn You don't say good luck  
You say, "Don't give up"  
It's the fire, inside you  
Let it burn One love, one game, one desire  
One flame, one bonfire, let it burn higher  
I never show signs of fatigue or turn tired  
'Cause I'm the definition of tragedy turned triumph It's David and Goliath, I made it to the eye of the storm  
Feeling torn like they fed me to the lions  
Before my time start to wind down like the Mayans  
I show 'em how I got the grind down like a science It sounds like a riot on hush, it's so quiet  
The only thing I hear is my heart, I'm inspired  
By the challenge that I find myself standing eye to eye with  
Then move like a wise warrior and not a coward You can't escape the history that you was meant to make  
That's why the highest victory is what I'm meant to take  
You came to celebrate, I came to sever great  
I hate losing, I refuse to make the same mistake Ohh, the fire, the fire  
Ohh

There's something in your heart  
(The fire)  
There's something in your heart  
(The fire) There's something in your heart  
And it's in your eyes  
It's the fire, inside you  
Let it burn You don't say good luck  
You say, "Don't give up"  
It's the fire, inside you  
Let it burn Ohh, the fire inside you  
The fire inside you  
The fire inside you  
The fire inside you
