

Something To Talk About

Badly Drawn Boy

I've been dreaming of the things I've learnt about a boy
Whose bleeding, celebrate to elevate
The joy is not the same without the painIpso facto
Using up your oxygen, you know I'm shallow
Calling out for extra help
You've got to let me in or let me outOh something to talk about
Yeah something to talk aboutI've been dreaming of the things I've learnt about a boy
Whose leaving, nothing else to chance again
You've got to let me in or let me out
