Always A Victim

Trixter

Just like an arrow
Between the eyes
Never saw it comin'
But it made me blind
And in my darkness
Fell to my knees
Can't you hear me screamin'
Baby please, please, pleaseFeel like a prisoner
Locked up in time
There's no escaping
Baby you're the mastermind
When will this sentence ever end
And my new life beginIf this is a crime
You'd be convicted
I'll do my time
I'm your victim
You stole my heart
And tied me in chains
I'll do my time
I'm your victimAlways your victim
Always your victim
Always your victimShe took my heart and she threw it away
Like the keeper you hold the key
I'm the captive of your insanity
You know you're guilty, no alibi
Ain't no justice, no reason why
When will this sentence ever end
And my new life beginIf this is a crime
You'd be convicted
I'll do my time
I'm your victim
You stole my heart
And tied me in chains
I'll do my time
I'm your victimI'm screamin' my heart out
I'm down on my knees
I get no reaction
What more do you wantIf this is a crime
You'd be convicted

I'll do my time
I'm your victim
You stole my heart
And tied me in chains
I'll do my time
I'm your victimAlways your victim
Always your victim
Always your victimShe took my heart and she threw it away
