

Texas Blues

[Lucy Kaplansky](#)

Never been so lonesome
Never been so blue
It's midnight on the highway
I'm coming back for you Stuck in Ozona Texas
Out on highway 10
I'm going to Arizona
To win you back again Last time I saw you
Your voice was cold as ice
And you spoke of some old lover
Like a lonesome paradise Now I'm standing on the highway
And the only light I see
Is just a cold and heartless moon
Shining down on me
