

I'm Sorry

Red House Painters

It's cold here in the city, it always seems that way
I've been thinking about you almost everyday
Thinking about the good times, thinking about the rain
Thinking about how bad it feels all alone again I'm sorry for the way things are in China
I'm sorry things ain't what they used to be
But more than anything else, I'm sorry for myself
Cause you're not here with me Our friends ask all about you, I say you're doing fine
And I expect to hear from you almost anytime
They all know I'm lying, I can't sleep at night
They all know I'm dying down deep inside I'm sorry for all the lies I told you
I'm sorry for the things I didn't say
But more than anything else, I'm sorry for myself
I can't believe you went away
