

Gold Dust Woman

Halestorm

Rock on gold dust woman
Take your silver spoon
And dig your graveHeartless challenge
Pick your path and I'll prayWake up in the morning
See your sunlight lovers go down
Lousy lovers pick their prey
But they'll never cry out loud
Cry out loud. OhDid she make you cry?
Make you break down?
Shatter your illusions of love?
Is it over now? Do you know how
To pick up the pieces and go home?
Go homeRock on ancient queen
Follow those who pale
In your shadowRulers make bad lovers
You better put your kingdom up for sale
For sale. OhDid she make you cry?
Make you break down?
Shatter your illusions of love?
Is it over now? Do you know how
To pick up the pieces and go home?Well did she make you cry?
Make you break down?
Shatter your illusions of love?
Now tell me is it over now? Do you know how
To pick up the pieces and go home?
Go home. Oh
Go home. Oh.Hey pale shadow
Of a woman (x4)Did she make you cry?
Make you break down?
Shatter your illusions of love?
Is it over now? Do you know how
To pick up the pieces and go home?Well did she make you cry?
Make you break down?
Shatter your illusions of love?
Now tell me is it over now? Do you know how
To pick up the pieces and go home?Go home
Go home
