

# You Don't Count The Cost

## Billy Dean

It happens to a mother  
She is giving birth  
Her heart is filled with joy  
While her body's filled with hurt  
She holds the baby close to her  
Despite the pain he caused  
When it comes to love, you don't count the cost  
It happens to a soldier  
Fighting for his home  
Fear wells up inside him  
And yet he still goes on  
Even though he knows  
He may be the next to fall  
When it comes to love, you don't count the cost  
You don't count the heartache  
You don't count the sacrifice  
All that counts is what you feel inside  
It doesn't really matter what is gained or what is lost  
When it comes to love, you don't count the cost  
It happens all around us  
Each and every day  
Someone's giving all they got  
For someone else's sake  
If you ever doubt it  
Just think about the cross  
When it comes to love, you don't count the cost
