

# Break Your Heart (Darren Styles Club Mix)

## Taio Cruz

(Whoa) LUDA!

Now I may not be the worst or the best  
But you gotta respect my honesty (whoa)

And I may break your heart

But I don't really think there's anybody as bomb as me (whoa)

So you can take this chance, in the end

Everybody's gonna be wondering how you deal (whoa)

You might say this is Ludacris

But Taio Cruz tell her how you feel Now listen to me baby (uh uh oh oh)

Before I love and leave you (uh uh oh oh)

They call me heart breaker (uh uh oh oh)

I don't wanna deceive you (uh uh oh oh oh) If you fall for me

I'm not easy to please

I might tear you apart

Told you from the start, baby from the start I'm only gonna break break your, break break your heart I'm only  
gonna break break your, break break your heart I'm only gonna break break your, break break your heart I'm

only gonna break break your, break break your heart

Whoa, whoa There's no point trying to hide it (uh uh oh oh)

No point trying to evade it (uh uh oh oh)

I know I got a problem (uh uh oh oh)

Problem with misbehaving (uh uh oh oh oh) If you fall for me

I'm not easy to please

I might tear you apart

Told you from the start, baby from the start I'm only gonna break break your, break break your heart I'm only  
gonna break break your, break break your heart I'm only gonna break break your, break break your heart I'm

only gonna break break your, break break your heart That's all I'm gonna do woman

(Whoa) Listen now, I'm only gonna break your heart

And shatter and splatter it all into little bitty pieces

Whether or not you get it all together

Then it's finder's keepers and losers weepers

See I'm not trying to lead you on

No I'm only trying to keep it real (whoa)

You might say this is Ludacris

But Taio Cruz tell her how you feel (Eh) and I know karma's gonna get me back for being so cold (eh)

Like a big bad wolf I'm born to be bad and bad to the bone (eh)

If you fall for me I'm only gonna tear you apart (eh)

Told ya from the start (eh) I'm only gonna break break your, break break your heart I'm only gonna break break  
your, break break your heart I'm only gonna break break your, break break your heart I'm only gonna break  
break your, break break your heart

Whoa, whoa, whoa, whoa
