Erica Campbell

Said its looking like
Looking like
Looking like
Looking like
I'm goanna make it through this
looking like
Looking like
looking like
looking like
I'm goanna make it through this
looking like
looking like
looking like
looking like
I'm goanna make it through this
looking like
looking like
looking like
looking like
I'm goanna make it through this
have you ever ben in a place where you finally had enough
let me hear you say
yea
yea
yea
you've been prying working waiting a you ain't giving up
let me hear you say
yea
yea
yeayour VICTORY is closer than you think
cant you
FEEL IT RIGHT IN FRONT OF YOUjust tell your self
said its looking like
looking like
looking like
looking like
I'm goanna make it through this
looking like
looking like

looking like
looking like
I'm goanna make it through this
looking like
looking like
looking like
looking like
I'm goanna make it through this
looking like
looking like
looking like
looking like
I'm goanna make it through thiswhen the pressures of this life make you feel like breaking down
let me hear you say
yea
yea
yeaand your tryna do the wright thing
but the wrong things all around
let me hear you say
yea
yea
yeasaid he wont put more on you than you can bare
Can't you fell it
lift him up
for you
yeasaid its looking like
looking like
looking like
looking like
I'm goanna make it through this
looking like
looking like
looking like
looking like
I'm goanna make it through this
looking like
looking like
looking like
looking like
I'm goanna make it through this
looking like
looking like
looking like
looking like
I'm goanna make it through thisnow what they say bout you may be true

but God forgives
the rest is all up to you
now you can stay defeated
and let it be
or you could claim the victory and just repeat after mesaid its looking like
looking like
looking like
looking like
I'm goanna make it through this
looking like
looking like
looking like
looking like
I'm goanna make it through this
looking like
looking like
looking like
looking like
I'm goanna make it through this
looking like
looking like
looking like
looking like
looking likeI see the clouds roll away
feels like it's a new day
I'm so ready to start over now
I'm looking back at how
I made it over wow
I found you love again
lord I'm in love again
and now I'm on my way back
said its looking like
looking like
looking like
looking like
I'm goanna make it through this
looking like
looking like
looking like
looking like
I'm goanna make it through this
looking like
looking like
looking like
looking like
I'm goanna make it through this

looking like
looking like
looking like
looking like
I'm goanna make it through this said its looking like
looking like
looking like
looking like
your goanna make it through this tell me can you feel it yea
yea
yea
yea
yea
yea

I'm goanna make it through this
