

# Witchcraft (Rob Swire's Drumstep Mix)

## Pendulum

It's in your eyes, a colour fade out

Looks like a new transitionIt's starting up and shaking your ground

Turning your head to see a new day callingDoes it feel like a head to lean on?

A snapshot from where you were born

I'm looking for your hand in the rough

You're caught in the wire

Well, I'll lift you outLeading on the action

Caught in a cellphone's rays

Bleeding on a sofa

Staring at the waistline

He's coming and she knows it

Even though she knows why

Footsteps in the hallway

Girl, you haven't got time(You gotta get out)

(Go far away)

(You gotta get out)

(Go far away)Darkness in the bedroom

Maybe she is resting up

Maybe she was out late

Just come back from the club

I can't hear her breathing

Something doesn't seem right

Killer in the hallway

We're living on a set time(We gotta get out)

(Go far away)

(We gotta get out)

(Go far away)
