Ordinary

Michael Paynter

There's a girl that could rule the world, I know
If she'd only let the world around her go
But she's holding, holding onGot a scar that she's always trying to hide
Got a dream but she's keeping it inside
And she can't be the only oneWe're caught in a place
with so many faces
No-one knows what I knowWhen she's part of the crowd,
She will never be ordinary
OrdinaryStand up, scream it out loud
She will never be ordinary
Her ordinary's amazing.
Her ordinary's amazing.When you're frightened of the monsters in your head
And the lights, they all look red
Just keep chasing, chasingDon't be afraid, don't you run away
I may have it easy, but I can still relate
To what you're facing [facing]We're caught in a place
with so many faces
No-one knows what I knowWhen she's part of the crowd,
she will never be ordinary
Ordinary.Stand up, scream it out loud
She will never be ordinary
Her ordinary's amazing.
Her ordinary's amazing.When you're part of the crowd,
you will never be ordinary
Ordinary.
Stand up, scream it out loud
"I will never be ordinary"
Your ordinary's amazing.
Your ordinary's amazing.
