Digital (A Factory Sample EP)

Joy Division

Feel it closing in
Feel it closing in
The fear of whom I call
Every time I call
I feel it closing in
I feel it closing in
Day in, day out
Day in, day out
Day in, day out
Day in, day out
Day in, day out
Day in, day outI feel it closing in
As patterns seem to form
I feel it cold and warm
The shadows start to fall
I feel it closing in
I feel it closing in
Day in, day out
Day in, day out
Day in, day out
Day in, day out
Day in, day outI'd have the world around
To see just whatever happens
Stood by the door alone
And then it's fade away
I see you fade away
Don't ever fade away
I need you here today
Don't ever fade away
Don't ever fade away
Don't ever fade away
Don't ever fade away
Fade away, fade away
Fade away, fade away
Fade away, fade away
Fade away
