Equalize

Chiren

She's gorgeous when she sleeps
Be careful not to wake the monster
I'm on my knees
But the others just got nothin' on her
You look so fine to me
You look so fine to me

She's the girl of my dreams
If only she could stay in hers
See sweet relief
From this total living nightmare
You look so fine to me
You look so fine to me

She's gorgeous when she sleeps
Be careful not to wake her
You look so fine to me
You still look so fine to me
You look so fine to me
You still look so fine to me
