I Must Be In Love

The Rutles

I feel good, I feel bad
I feel happy, I feel sad
Am I in love? I must be in loveI feel rich, I feel poor
I'm in doubt, I feel sure
Am I in love? I must be in loveAnytime of the day I can see
Her face when I close my eyesShe's a dream, she is real
Can't explain, how I feel
Am I in love? I must be in loveAnytime of the day I can see
Her face when I close my eyesAm I dead or alive?
Can my poor heart survive?
Am I in love? I must be in loveI feel good, I feel bad
I feel happy, I feel sad
Am I in love? I must be in loveI must be in love
I must be in love
I must be in love
