

# I Must Be In Love

## The Rutles

I feel good, I feel bad  
I feel happy, I feel sad  
Am I in love? I must be in love I feel rich, I feel poor  
I'm in doubt, I feel sure  
Am I in love? I must be in love Anytime of the day I can see  
Her face when I close my eyes She's a dream, she is real  
Can't explain, how I feel  
Am I in love? I must be in love Anytime of the day I can see  
Her face when I close my eyes Am I dead or alive?  
Can my poor heart survive?  
Am I in love? I must be in love I feel good, I feel bad  
I feel happy, I feel sad  
Am I in love? I must be in love I must be in love  
I must be in love  
I must be in love
