While You Were Asleep

Ok Go

In the shallowest part of the night
While you quietly slept
I lay here and I counted the hours
To the sound of your breath
Can't you love me?
Can't you love me?
How I want, please
How I want
I went walking down on Second Street
Through the leaves and the clutter
In the pale yellow sodium light
Nothing has any color
Can't you love me?
Can't you love me?
How I want, please
How I want
Can't you love me?
Can't you love me?
How I want, please
How I want
