Don't Let Go

David Sneddon

I don't even know if I can cry
Been so long, it seems like I've run drySomething in your eyes tonight, looked into my soul
Saw the years of breaking down have taken its toll
So I'm leaning on you now into the nightDon't let go, don't let go
Don't wanna let you goNow I'm on the rocks, I see your lie
I don't need my wings to take this flightI know I can fly
Nothing happens on its own, fate is just a word
You make me a better man, does that sound absurd?
And you look into my eyes and softly sayDon't let go, don't let go
I don't wanna let you goYou are the light in me, pull me in and set me free
You always let me know
Hold me tight and don't let goDon't let go, don't let go
Don't wanna let you go
Don't let go, don't let go
Don't wanna let you goDon't let go, don't let go, don't let go
Don't let go, don't let go, don't let go
Baby, don't let go, don't let, don't let go
Don't let, don't let go, don't let go
