

Victory

Fire Deuce

(?)voodoo child(?) is comin' strong
To livin on while I steal your soul
Keepin time on what you roll
Livin on while your soul gets brokeTurn me loose
F-f-f-f-fire deuce
Yeah, I'm comin home
I'm brokeI'm runnin' home
The deed is done
I'm feelin' young
The sin is through
I'm runnin' home
The deed is done
I'm feelin' young
So turn this on
Yeah, a life of shame
Ill be your wayward son
Yeah, I'll steal your name
A wayward son
But she now is mine
I'm gonna take the Kingdom (?)
Now this is mine
Ain't no crime
I'm tryin to cross the lineI'm runnin' home
The deed is done
I'm feelin' young
The sin is through
I'm runnin' home
The deed is done
Let me go
I'm coming home
So it's not my shit
Run with meI'm runnin
The deed is done
I'm runnin' home
I'm runnin' home
I'm runnin' ohhh
I'm runnin' home
The deed is done!
