

Pleasure Is Mine (UK Edition)

Jennifer Lopez

Baby relax we've been waiting for this,
And we deserve the heavenly bliss
That waits underneath the stars above
Can't you hear them begging us (let's make love)
From the bottom of my heart I give you my soul
Right here is this room the truth unfolds (It's saying) Saying
(Stop playing) Playing
Delaying the divine
The pleasure is mine, let me give some to you,
We can take our time (take our time)
Nothing I'd rather do (oh no)
Make ya feel fine (fine)
Make ya life shine (shine)
Give you moments you can treasure...
Forever (forever) remember (remember)
The pleasure is mine, mine mine all mine Every-day I been dreaming about
How it's gonna be, to find you out,
To be sharing your kiss
To be just like this
What I wouldn't do for a taste of your lips
So lets not waste one second more
Lets cut the lights and lets lock the door (It's saying) Saying
(Stop playing) Playing
Delaying the divine
The pleasure is mine, let me give some to you,
We can take our time (take our time)
Nothing I'd rather do (oh no)
Than make ya feel fine (fine)
Make ya life shine (shine)
Give you moments you can treasure
Forever (forever) remember (remember)
The pleasure is mine, mine mine all mine
The pleasure is mine, mine mine all mine,
The pleasure is mine Oh baby I don't wanna breathe (I don't wanna)
Don't wanna change a single thing (don't wanna)
Nobody else I'd rather see (nobody else)
Than you like this before my eyes
Wanna be everything you need
Keep you satisfied

I'm praying (I'm praying)
Stop playing (stop playing)(It's saying) Saying
(Stop playing) Playing
Ahhhh ahah ahh ahh
The pleasure is mine (all mine yeah)
Let me give some to you,
We can take our time (take our time)
Nothing I'd rather do (rather do)
Make ya feel fine (fine)
Make ya life shine (shine)
Give you moments you can treasure
Forever (forever) forever (forever) remember (remember)
The pleasure is mine, mine mine all mine
The pleasure is mine, mine mine all mine
The pleasure is mine, mine mine all mine,
The pleasure is mine
