

# You Say

Elliott Yamin

Maybe it was wrong to say  
Nothing as you walked away  
Baby, I know you've been confused  
Telling me that it's too late  
I thought you'd say goodbye for good  
But you're still here with me  
How did we get so misunderstood  
'Cause you say you ain't got time for me  
Actions speak louder than words  
You try to say you'd rather be all by yourself  
Ooh but I can see the way  
The way you look at me  
And baby, I don't believe, believe what you say  
You say  
You know that it's cool to look  
Look the way you do tonight  
Girl, you know I'm onto you  
'Cause something just don't add up right, no  
I thought you said you felt unsure  
Oh, but hearts don't lie  
'Cause now you're back at my front door, ooh  
'Cause you say you ain't got time for me  
  
Actions speak louder than words  
You try to say you rather be all by yourself  
Ooh but I can see the way  
The way you look at me  
And baby, I don't believe, believe what you say  
You say  
You thought I didn't care  
I thought you wouldn't stay  
I hope we can go forth from on this day  
Let start over again  
We don't have to pretend  
That it's over, it's over  
'Cause you say you ain't got time for me  
Actions speak louder than words  
You try to say you rather be all by yourself  
Ooh but I can see the way

The way you look at me  
And baby, I don't believe, believe what you say  
Oh, I don't believe what you say  
Maybe I was wrong to say  
Nothing as you walked away
