Bleed Forever (Bravecaptain)

Super Furry Animals

Cloud upon cloud cries poison rain
Slate, hair, roads glisten again
There's no console
It's no game
We were going places
It's such a shame
Bleed forever
Seep from the stones
Bleed forever
Silence our tones
Bleed forever
Mould us like clay
For everything we have is taken awayThe gurning gunrunner wakes from his sleep
With no remorse for those who kick by his feet
Skin care consultant calls the police
But from this dungeon
There is no releaseBleed forever
Seep from the stones
Bleed forever
Silence our tones
Bleed forever
Mould us like clay
For everything we had has wasted awayFate decided
Rubbing your eyes
Men in tailcoats absorb the cries
Milk the scapegoat
Milk it dry
Put it down
And watch it die
