

# Bleed Forever (Bravecaptain)

## Super Furry Animals

Cloud upon cloud cries poison rain  
Slate, hair, roads glisten again  
There's no console  
It's no game  
We were going places  
It's such a shame  
Bleed forever  
Seep from the stones  
Bleed forever  
Silence our tones  
Bleed forever  
Mould us like clay  
For everything we have is taken away  
The gurning gunrunner wakes from his sleep  
With no remorse for those who kick by his feet  
Skin care consultant calls the police  
But from this dungeon  
There is no release  
Bleed forever  
Seep from the stones  
Bleed forever  
Silence our tones  
Bleed forever  
Mould us like clay  
For everything we had has wasted away  
Fate decided  
Rubbing your eyes  
Men in tailcoats absorb the cries  
Milk the scapegoat  
Milk it dry  
Put it down  
And watch it die
