

# Where You Belong

Kari Kimmel

If your feeling down or weak  
You can always count on me.  
I will always pick you up  
Nothing's ever gonna change  
Nothing's gettin' in my way  
I will always hold you up  
Anything come what may  
Don't look back  
Forget yesterday, forget yesterday It's not where you come from  
It's where you belong  
Nothin I would trade  
I wouldn't have it any other way  
You're surrounded  
By love and you're wanted  
So never feel alone  
You are home with me  
Right where you belong I know sometimes you're feeling lost  
It's hard to find your place in it all  
But you don't have to fear  
Even when you mess up  
You always got my love  
I'm always right here  
Oh, cause  
Anything come what may  
Don't look back  
Forget yesterday, forget yesterday It's not where you come from  
It's where you belong  
Nothin I would trade  
I wouldn't have it any other way  
You're surrounded  
By love and you're wanted  
So never feel alone  
You are home with me  
Right where you belong Oooh, Oooh, (Oooo)  
Oooh, Oooh, (Oooo)  
Don't matter where you've been  
Oooh, Oooh, (Oooo)  
Oooh, Oooh, (Oooo)  
You're here for a reason

OoohhhoooooIt's not where you come from  
It's where you belong  
Nothin I would trade  
I wouldn't have it any other way  
You're surrounded  
By love and you're wanted  
So never feel alone  
You are home with me  
Right where you belong
