Rhythm Delivery

Joe Jackson

I'm gonna ring your bell
Because I got your number
I'm gonna knock as well
We got a rhythm deliveryI'm gonna stomp and yell
We gonna bring a drummer
We gotta beat that swell
We got a rhythm deliveryBabe, I'm gonna cheer you up
Set your table, fill your cup
Don't you think I should come up
Check that I got what you wantedSo get it while it's hot
And get it while it's jumpin'
Cause if you're in or not
We got a rhythm deliveryYes, I'm gonna rock your soul
You will go to high from low
You from swell will go to hip
But honey, don't forget my tipSo get it while it's hot
And get it while it's jumpin'
Cause if you're in or not
I got a rhythm delivery
