

I Wanna Be Where You Are

Michael Jackson

Can it be I stayed away too long
Did I leave your mind when I was gone
It's not my thing trying to get back
But this time let me tell you where I'm at

You don't have to worry cause I'm coming
Back to where I should have always stayed
And now I've heard the maybe to your story
And it's enough love for me to stay

Can it be I stayed away too long
Did I leave your mind when I was gone
Well, it's not my thing trying to get back
But this time let me tell you where I'm at

I want to, want to be where you are (ooh aah)
Anywhere you are (ooh aah)
I want to, want to be where you are (ooh aah)
Everywhere you are (ooh aah)

Please don't close the door to our future
There's so many things we haven't tried
I gonna love you better than I used to
And give you all the love I have inside

Oh

I want to, want to be where you are (oh aah)
Any, any, anywhere you are (oh aah)
I want to, want to be where you are (oh aah)
I gotta, gotta be where you are (oh aah)

I want to be, I want to be (oh, yea, yea, baby now)
I want to be, I want to be (oh, oh)
I want to be, I want to be (oh, now, now, yea, yea)
I want to be, I want to be (oh)

I want to be, I want to be (oh, now, now, baby)
I want to be, I want to be (oh)
