

# Atom-Age Vampire in 308

## Balzac

It's coming down...  
Millions in the black  
Lose sight of the road that's ahead  
Psycho in 308  
Black or white?  
Suffer for a world of silence  
Is home a world of chaos?  
Everybody's lost their own way  
Is home a world of sadness?  
Everybody's lost their own way  
Thousands of tears  
Take in your tears
