Beautiful Again

Ryan Corn

I can't hold her heart
I can't make her stay
I can't hold her down
And I can't keep her tears away

I'm up to my neck in consequences miles wide
I think she's drowning and I can't pull her up this time

I want to save her,
But I need to be saved
I want to make her
Into beautiful again
But it's out of my head
I can't save her
Cos I know what I am
And I'm no savior

Oh oh oh oh oh ohh
Oh oh oh oh oh ohh

Thank god for the sun today to keep my heart
And I know the suns shining where you are
Feel the warmth
The breeze
I hope it will ease the pain
But for now we'll freeze
I hope we can be friends some day

I want to save her
But I need to be saved
I want to make her
Into beautiful again
But it's out of my hands
I can't save her
Cos I know what I am
And I'm no savior

Oh oh oh oh oh ohhh
Oh oh oh oh oh ohhh

I want to save her
But I need to be saved
I want to make her
Into beautiful again
But it's out of my hands
I can't save her
Cos I know what I am
And I'm no savior

I want to save her
