

Sara Smile

Boyz II Men

Baby hair with a woman's eyes
I can feel you're watching in the night
All alone with me and we're waiting for the sunlight When I feel cold you warm me
And when I feel I can't go on
You come and hold me
It's you and me forever Sara smile
Oh, won't you smile a while for me? Sara If you feel like leaving, you know you can go
But why don't you stay until tomorrow
And if you want be be free
You know, all you got to do is say so When you feel cold, I'll warm you baby
And when you feel you can't go on
I'll come and hold you
And it's you and me forever Sara smile
Why don't you smile a while for me? Sara
Sara smile
Why don't you smile a while for me? Sara, Sara
