

# Cush

## Missez

1st verse

You get on my nerves  
(sometimes I don't wanna deal wit you.)  
Sometimes it really hurts  
(for me to be wit you)

But it's something bout that thang you slang i know that i gotta get some play. Couldn't believe I heard that  
(you still carry my picture)  
why'd you kick me to the curb babe  
(that alright I forgive you)

Even though where over and done, if you call i'll come, cause you got that thing that make a girl wanna sing oh-  
oh-oh-oh

Chorus

You got it  
Boy you got that good shit  
kinda like some cush shit.  
Boy you making me wanna do,  
things I know I shouldn't do,  
but it so worth it,  
cause you got that oh oh oh.  
(repeat)

Verse 2: Ooh the way you doing it to me boy it feels so good that I think im bout to, i'm bout to come.  
Boy don't hold back nothing now i'm addicted to your loving, not a little. Not some I want it all. I wish we could  
get ourselves together. I've been trying to fool myself when i been saying stop. (Just till)

i think about,  
(someone else)  
what I got  
and even though we can't lock it down.  
I still want you around cause.. Chorus: You got it  
Boy you got that good shit  
kinda like some cush shit.  
Boy you making me wanna do,  
things I know I shouldn't do,  
but it so worth it,  
cause you got that oh oh oh.  
(repeat)

Bridge:  
Ooh the way the way you doin you doin it to me boy x2 (I gotta have it)

Boy don't take too long.  
So make sure you call when you get get that ass home...  
(repeat) (Chorus x4)
