

The Lovecats

The Cure

We move like cagey tigers
Oh, we couldn't get closer than this
The way we walk
The way we talk
The way we stalk
The way we kiss
We slip through the streets
While everyone sleeps
Getting bigger and sleeker
And wider and brighter
We bite and scratch and scream all night
Let's go and throw
All the songs we know...
Into the sea
You and me
All these years and no one heard
I'll show you in spring
It's a treacherous thing "We missed you", hissed the lovecats We're so wonderfully wonderfully wonderfully
Wonderfully pretty!
Oh you know that I'd do anything for you...
We should have each other to tea huh?
We should have each other with cream
Then curl up by the fire
And sleep for awhile It's the grooviest thing
It's the perfect dream Into the sea
You and me
All these years and no one heard
I'll show you in spring
It's a treacherous thing
"We missed you", hissed the lovecats We're so wonderfully wonderfully wonderfully
Wonderfully pretty!
You know that I'd do anything for you...
We should have each other to dinner
We should have each other with cream Then curl up in the fire
Get up for awhile
It's the grooviest thing
It's the perfect dream Hand in hand
Is the only way to land And always the right way round
Not broken in pieces

Like hated little meeces...
How could we miss
Someone as dumb as this?
Missed you, hissed the lovecats
I love you... let's go...
Oh... solid gold...
How could we miss
Someone as dumb as this?
