

# Face To The Floor (Album Version)

## Chevelle

To pick up the tip  
Doesn't mean a lot,  
Fiddle inside your drawers If we own the night  
Then spread it out  
Or pack up  
Without a clue Well  
Caused by their own  
When by default  
Time to vÃ¡monos Like your face  
Getting forced  
To the floor Then I got a taste  
Of the benefits  
Five foot  
And change There's no better way  
To hash it out  
So let's set up  
Your time to fail Well  
Course now the cracks  
Should we intervene  
I hold this albatross Like your face  
Getting forced  
To the floor  
And either way  
You're way too close  
To it all Pay up, never  
Wait 'em out  
Clever, Madoff  
Take it all  
Take it all (Your, mouth, blessed) Take 'em all the way  
Right back down (Clue, less, mess) Pay up, never  
Take it all  
Take it all Like your face  
Getting forced  
To the floor (In a league of your own)  
And either way  
You're way too close  
To it all (You cannot veto the world) Like your face (like your face)  
Getting forced (getting forced)  
To the floor (In a league of your own)

And either way (and either way)

You're way too close

To it all Too close to it all
