

Endure (Remix)

Plumb

Questions drip from my umbrella
Shadows hang over me Stand here, waiting
I know the sky will break
And bleed its light
And kiss my face with mercy I'll endure the rain
I will wait an hour more
Not sure if I'll see anything
Can I wait here anymore
I'll endure the rain
I will wait an hour more
Not sure if I'll see anything
Can I wait here any longer Teardrops vanish in a moment
Rainbows hang over me
Darkness fading
I know the sky will break
And bleed its light
And kiss my face with mercy
