Perfect Day

Hoku

Sun's up, a little after twelve, make breakfast for myself
Leave the work for someone else
People say, they say that it's just a phase
They tell me to act my age, well I am
On this perfect day, nothing's standing in my way
On this perfect day when nothing can go wrong
It's the perfect day, tomorrow's gonna come too soon
I could stay, forever as I am on this perfect day
Sun's down, a little after ten I pick up all my friends
In my Mercedes Benz, wake up don't tell me it's just a dream
'Cause when I've had enough you'll hear me say
Now don't you try to rain on my
Perfect day, nothing's standing in my way
On this perfect day when nothing can go wrong
It's the perfect day, tomorrow's gonna come too soon
I could stay, forever as I am on this perfect day
I'm in the race but I've already won
And getting there can be half the fun
So don't stop me till I'm good and done
Don't you try to rain on my
Perfect day, it's the perfect day
It's the perfect day, nothing's gonna bring me down
I could stay, forever as I am
On this perfect day, nothing's standing in my way
On this perfect day, nothing can go wrong
I'm in the race but I've already won
And getting there can be half the fun
So don't stop me till I'm good and done
Don't you try to rain on my perfect day
On this perfect day, on this perfect day
