

# Who I Am

## Gail Holmes

Whatever It Is

So you want a different life now cause you're tired of the fight  
You're fed up with all the crying and the trying stuff coming at you left and right  
The weight on your shoulders may seem heavy for you now  
But I know a man who's willing to help you out  
Don't you know that

Whatever it is let it go

Give it to God and He will show  
you all the things He has for you  
He will see you through

Whatever it is let it go

Give it to God and He will show you all the things He has for you  
He will see you through

Your circumstance may have seemed too big

You called around couldn't find your friends

You felt alone like all hope was gone

But the Lord was always there

Because He loves you; He'll never leave you

He'll be right there; He'll lead and guide you

Whatever you need get down on your knees

Because the Lord will always be there

And He will be there through all of your mistakes

through all your heartbreaks

He'll give you perfect peace; He will be right there

Don't you know

Whatever it is let it go...

I Receive Your Love

I feel the void within my soul

Reaching for the cure; the missing piece to make me whole

This world may try to meet my need

But no carnal thing ever provides Love's security

So I reach my hands up to the sky

And at the top of my lungs I scream that I.....

I receive your love for me

Though I can hardly understand it

I receive your love for me

It's unconditional  
It's unconditional  
This Love I never could work for  
Imperfections in me you see could never open any door  
But You love me still in spite of me  
You look past bones & flesh to my heart to meet my need  
So no longer will I fight You Lord  
No longer will I fight You Lord  
I receive your love for me  
Though I can hardly understand it  
I receive your love for me  
It's unconditional  
I receive your love for me  
Though I can hardly understand it  
I receive your love for me  
It's deeper than any ocean; wider than the sea  
Never ending that's your love for me  
Your love is amazing never failing  
soul redeeming life changing.  
Your love is mind rearranging  
joy giving hope bringing soul stirring.  
Your love I will receive.

Above All Else  
Above all else put on love  
Above all else put on love  
Above all else put on love  
And live in harmony  
  
Love is patient; love is kind  
Love does not envy  
It rejoices when truth prevails  
Love never fails  
Love my neighbor as myself  
That is what my God commands me to do  
And I will " I will obey

Above all else put on love...  
  
Though I have the gift of prophecy  
And all knowledge  
Faith to remove mountains  
And understanding  
Give to the poor in need  
And have not love I am nothing

Without Loveâ€¦without God's love

Above all else put on love...

God I need your love  
Cause nothing else will do  
Father give me your love  
Make me just like you
