Looking for a bitch with some sexual healing  
Open up her mouth and she catch it like Braylon

Swagger just dumb, call it Sarah Palin  
If you niggas fly then I must be parasailing  
W-we are not the same, I'm a motherfucking alien  
Back on my saddle with my tool in my hand  
Uptown real nigga bitch landed in the sand  
Back home nigga did it for the land

For the grand with the money with the tool in my hand  
High life give a fuck about your stripes homie  
Killer kill, kill a spend your been daily homie
