

Scattered Remains, Splattered Brains (1989 Demo)

Cannibal Corpse

Prepare to witness a place of gore
Of legal dissection and blood on the floor
Carved up corpses, in the corner
Sliced up by a psychotic coroner Slice, dice, chop them haphazardly
Like laboratory mice, splatter brain matter
Pound on the skull until it shatters Hack, slice, chop, carve, rip and tear
Carving up your eyeballs, watch them sit and stare
Tear, rip, slice, carve, chop, hack
Toss them into a sack Tags on bare feet, means a real
Treat to the butcher of human meat
Slice the throat from ear to ear
Gallons of blood do appear Veins exposed, torn from bodies
The most interesting of hobbies
To get paid for such a task
Is more than any man could ask Tags on bare feet, means a real treat
To the butcher of human meat
Slice the throat from ear to ear
Gallons of blood do appear Prepare to witness a place of gore
Of legal dissection and blood on the floor
Carved up corpses, in the corner
Sliced up by a psychotic coroner Slice, dice, chop them haphazardly
Like laboratory mice, splatter brain matter
Pound on the skull until it shatters Hack, slice, chop, carve, rip and tear
Carving up your eyeballs, watch them sit and stare
Tear, rip, slice, carve, chop, hack
Toss them into a sack Ripping, tearing your skin turning red
Vile surgeon, knife cutting in
Skull cracking, to expose your brain
Evil doctor death drove him insane Ripping, tearing your skin turning red
Vile surgeon, knife cutting in
Skull cracking, to expose your brain
Evil doctor death drove him insane
