

Send A Kite(feat. Dwayne Collins)

Styles P

You ain't gotta drive up and sit behind a table
You ain't gotta drop money if you ain't able
Send a kite I promise I'll be alright, with a kite You ain't gotta put no money on the phone
I ain't tryna blow it up I'll be back home
Send a kite I promise I'll be alright, with a kite You ain't gotta drive up and sit behind a table
You ain't gotta drop money if you ain't able
Send a kite I promise I'll be alright, with a kite My homie said P if I get locked up
I don't want a visit I don't need a visit
'Cause I don't need a nigga I'm not a needy nigga
And if I'm in it's my fault that I
Wild out and got too greedy nigga I'll be on the boulevard eatin' soups
Havin' soups, havin' dreams of the boulevard
So I don't need the hood involved I'll be
Home in a minute getting dome in a minute In the whip on chrome in a minute
In the zones in a minute
Have my own in the minute
So I only use the phone for a minute Tell my nigga write Tyson just send a
Lil' love with flics of the parties with
The honeys and the thugs in it You ain't gotta drive up and sit behind a table
You ain't gotta drop money if you ain't able
Send a kite I promise I'll be alright, with a kite You ain't gotta put no money on the phone
I ain't tryna blow it up I'll be back home
Send a kite I promise I'll be alright, with a kite You ain't gotta drive up and sit behind a table
You ain't gotta drop money if you ain't able
Send a kite I promise I'll be alright, with a kite My man said p I'm getting locked up.
But don't visit 'cause I'ma be in the whole
For fuckin' up niggas, no blood shit no crip shit
But I'ma flip the script on the day I get convicted Box to the ox until they take me out
Know I got a PO while out throwin' shit
Rather go to CO hard as a rock fuck around
Gotta do the whole bid in a box, fuck the cops I'ma diss 'em But tell me hood niggas I'ma miss 'em
Send a kite so they don't lose me in the system
I don't need money just a little love in a letter
I'll survive until the struggle get better You ain't gotta drive up and sit behind a table
You ain't gotta drop money if you ain't able
Send a kite I promise I'll be alright, with a kite You ain't gotta put no money on the phone
I ain't tryna blow it up I'll be back home
Send a kite I promise I'll be alright, with a kite You ain't gotta drive up and sit behind a table
You ain't gotta drop money if you ain't able

Send a kite I promise I'll be alright, with a kiteMy boy said P if I get locked up
Don't visit me. I'm not tryna call so
I don't need the digits. If I got myself into it
I'ma get myself outta it, just be bookin' it
Armin' it, chowin' it, I don't need your currencyI ain't tryna complain 'cause you ain't seen me currently
'Cause you should be outside where the big face
Hundreds be, just write a kite and just send a kite
And tell the niggas on the block they'll always be under meYou ain't gotta drive up and sit behind a table
You ain't gotta drop money if you ain't able
Send a kite I promise I'll be alright, with a kiteYou ain't gotta put no money on the phone
I ain't tryna blow it up I'll be back home
Send a kite I promise I'll be alright, with a kiteYou ain't gotta drive up and sit behind a table
You ain't gotta drop money if you ain't able
Send a kite I promise I'll be alright, with a kite
