

# Told You

Wilson

Say it wouldn't be over  
Say it wouldn't be sung  
The shy heart endlessly wonders  
Not knowing when it's begun I told you I knew what I wanted  
Told you it had to be this  
I told you never to trust me  
Told you never to trust me Watch the voices that come to you  
That hang behind your head  
You may not like what you hear  
But it's always right, isn't it I told you I knew what I wanted  
But I never told you how fine  
The kindness you showed in the fall  
More kindness than I could hold Oh, well it hasn't gone over  
And it hasn't been sung  
What is this intuition  
But a reason enough  
I told you I knew what I wanted  
Told you it couldn't be this Well I told you never  
I told you never  
See I told you never  
I told you never  
I told you never to trust me
