

# Slunk

## Smashing Pumpkins

Ride on, motherfucker  
Sister above  
Lead on my lover  
Daddy's not comin' home  
So long my mother  
So long ago  
She loves me like a lover  
Every house is now your home  
Even though you lied to me  
We love you  
Ride on, motherfucker  
Sister above  
Lead on my lover  
Every house is now your home
