

Opiate

Ophlot

Choices always were a problem for you.
What you need is someone strong to guide you.
Deaf and blind and dumb and born to follow,
What you need is someone strong to use you
 Like me,
 Like me.
If you want to get your soul to heaven,
 Trust in me.
 Don't judge or question.
 You are broken now,
 But faith can heal you.
 Just do everything I tell you to do.
Deaf and blind and dumb and born to follow.
 Let me lay my holy hand upon you.
 My God's will
 Becomes me.
 When he speaks out,
 He speaks through me.
 He has needs
 Like I do.
 We both want
 To rape you.
Jesus Christ, why don't you come save my life.
 Open my eyes, blind me with your light now
 And your lies.
