You Walk, I Run (Acoustic)

MxPx

I've been running for so long, for all these years,
There's not much point in holding back the tears.
And now the tears fall right out of my face.
I've forgotten what I'm running for.
I've forgotten what I'm running for.
Maybe I'm running in place,
Running in place.Seems like its all been said a million times before,
Seems like I've already been through that door.
Why am I always running at this pace.
I've forgotten what I'm running for.
I've forgotten what I'm running for.
Maybe I'm running in place,
Running in place.You walk, I run. You walk, I run. I don't even think about it. x3
You walk I run. You walk, I run.You walk, I run. You walk, I run. I don't even think about it. x3
You walk I run. You walk, I run.
