

# Warzone

## Power Glove

Nathan:

I can't believe I had to see  
The girl of my dreams cheating on me  
The pain you caused has left me dead inside  
I'm gonna make sure you regret that night  
I feel you close, I feel you breathe  
And now it's like you're here  
You're haunting me  
You're out of line  
You're out of sight  
You're the reason that we started this fight

Max:

But I know I just gotta let it go  
I should'a known  
I gotta learn to say goodbye now  
I throw my armor down  
And leave the battleground  
For the final time now  
I know I'm running from a warzone

Jay:

In our house, I hate that place  
Everywhere I walk I see your face  
Try to erase a memory with a flame  
And hope I never see you again  
Standing here in this burning room  
You know the end could never come so soon

Nathan:

It's clear to me the lies you use  
The ones that kill me ain't hurting you

All:

So I know I just gotta let it go  
I shoulda' known  
I gotta learn to say goodbye now  
I throw my armor down  
And leave the battleground  
For the final time now  
I know I'm running from a warzone  
I'm running from a warzone

I can't do this anymore  
I'm running from a warzone  
What are we fighting for?

mm7/4

mm8/4

yeah...

All:

I know I just gotta let it go  
I shoulda' known

I gotta learn to say goodbye now

I throw my armour down

And leave the battleground

For the final time now I

I should have known

Max:

I'm running from a warzone
