

Bluebird Is Dead

Electric Light Orchestra

Little darlin' of my life
You keep movin', cross my mind
You gave me a sunny day
Now it looks as if I'll pay Why do they say, bluebird is dead?
I can still see her, touch her, my bluebird
The love that she gave
I don't believe, no no I don't believe Bluebird came to me tonight
Waiting patiently for light
She said I know that you will grieve
But my darlin' I must leave Why do they say, bluebird is dead?
I can still see her, touch her, my bluebird
The love that she gave
I don't believe, no no I don't believe Bluebird say it is not so
Please I cannot hear you speak
It must be that you're so tired
In the darkness of the night Why do they say, bluebird is dead?
I can still see her, touch her, my bluebird
The love that she gave
I don't believe, no no I don't believe
