

Trashing Days

The Notwist

Then I come in, they go mad
Hit my nose and hit my back
Break my every single bone
Throw me out just like a stone
It's the corner, it's the dress
Small the town and big the mess
That I cause with every step
But still I walk, nonetheless
They're skipping backwards
They're thrashing days
Is that all they're believing in?
Smash my head to make it spin
It won't change, so come with me
Just with your eyes I will see
Just with your arms I can hold
And keep away them dump and cold
