

# Call To Worship

## Mercyme

I will worship the one who threw the stars to the night

I will worship the one who tells the sun to shine

I will worship You

I will worship You

My hands I lift to You

My voice I lift to You

My heart I lift to You

Hallelujah

I will worship the one who calmed the raging sea

I will worship the one who hushed the rage in me

I will worship You

I will worship You

My hands I lift to You

My voice I lift to You

My heart I lift to You

Hallelujah

Prince of Peace, almighty God

Counselor, Holy One

Lion of Judah, Son of Man

Son of God, the great I Am

Resurrection and the life

King of kings, Jesus Christ

My hands I lift to You

My voice I lift to You

My heart I lift to You

Hallelujah

My hands I lift to You

My voice I lift to You

My heart I lift to You

Hallelujah
