## **Run Home (Instrumental)**

## **Priestess**

I fell for the company girl
And it leaves me in charge
She don't pay what the salary will
And no company car

And it hurts when it pounds along with this heartbeat

Well its taking its toll, but it won't for very longI'll run home, I'm goneBack to the factory wheel

Believe me I'm in charge

I fell back on a factory girl

But they take me apart

And it hurts when they pound along with this heartbeat

And if I leave it this way, then it won't be there at allI'm back to the factory wheel

And it keeps me coming home

It takes me apart
And it hurts when it pounds with this heart, so ill run home, I'm gone
