Before I Let You Go

Sarah Geronimo

Boy I see you lookin' over
You keep on looking back at what you knew
Will you come closer
Closer to the one that's good for you
Cause you're still goin' back to that life
And I refuse to stand on the side
By sparing her from heartache
Don't you know you end up hurting me
I see your head spinning right around
She makes you fall hard and hit the ground
Will you ever gonna let her go
I see the way that she breaks you so
All I'm asking is for you please
To take control and be set free
Make the space so we can grow
Save us before I let you go
So you say this will get better
Better for you, her, or me?
Well I don't know what to tell ya
It's not my fault that I don't believe
Cause you're still so stuck in that life
And I refuse to stay on this ride
Cause we're goin' round in circles
Aren't you tired of never having peace

I see your head spinning right around
She makes you fall hard and hit the ground
Will you ever gonna let her go
I see the way that she breaks you so
All I'm asking is for you please
To take control and be set free
Make the space so we can grow

Save us before I let you go
I have been waiting
For you to change this
But it has taken too long
So I can't keep waiting
I've got to change this

It's hard for me to have to be so strong
I see your head spinning right around
She makes you fall hard and hit the ground
Will you ever gonna let her go
I see the way that she breaks you so
All I'm asking is for you please
To take control and be set free
Make the space so we can grow
Save us before I let you go

I see your head spinning right around
She makes you fall hard and hit the ground
Will you ever gonna let her go
I see the way that she breaks you so
All I'm asking is for you please
To take control and be set free
Make the space so we can grow
Save us before I let you go
Oh baby I, baby I, baby I, baby I
Don't wanna let you go
I don't wanna let you go
Save us before I let you go
Oh baby I, baby I, baby I, baby I
Don't wanna let you go
I don't wanna let you go
Oh no, oh no
No i don't ever wanna let you go...
