

# Have You Seen Her

Phil Perry

Ahh, ooo

Ahh, ooo

One month ago today, I was happy as a lark  
But now, I go for walks, to the movies, and maybe to the park  
I have a seat on the same old bench, and I watch the children play, huh  
You know, tomorrow's their future, but for me, just another day  
They all gather 'round me, huh - yeah they seem to know my name  
We laugh, and we tell a few jokes, but it still doesn't ease my pain  
I know I can't hide from a memory, though day after day I've tried  
I keep saying, "She'll be back," but today, again I've lied

Oh, I see her face everywhere I go  
On the street and even at the picture show  
Have you seen her, tell me have you seen her  
Oh I hear her voice as the cold winds blow  
In the sweet music on my radio  
Have you seen her, tell me have you seen her

Why, oh why did she have to leave and go away  
Oh, I've been used to having someone to lean on  
And I'm lost, baby I'm lost  
Woah, Have you seen her, tell me have you seen her  
Woah, Have you seen her, tell me have you seen her

she left her kiss upon my lips  
But left a break within my heart  
Have you seen her, tell me have you seen her  
Oh I see her hand reaching out to me  
Only she can set me free  
Have you seen her, tell me have you seen her.

Why, oh why did she have to leave and go away, oh yeah  
Oh, I've been used to having someone to lean on  
And I'm lost, baby I'm lost  
Woah, Have you seen her, tell me have you seen her, woah.

As another day comes to an end, I'm looking for a letter  
Or something, anything that she would send  
With all the people I know, I'm still a lonely man

You know, it's funny, I thought I had her  
In the palm of my hand.

(Have you seen her, tell me have you seen her)

---
